Hi Jean,

I'm still working on the reorg. – you should share what you have with your management and then I will incorporate. If they need to see the broader context, include it in the version you sent me with the quotes you pulled.

Thanks, Kimi

Kimi, is there anyway you can send me the reorganized EJ Analysis? I am pretty much finished with my section and wanted to share with my management. I have done it as a stand alone document that can be added to the Analysis when it is finished. Thanks
